

paleorxiv.org

osf.io/preprints/paleorxiv/

An open source, free digital publishing platform
for the global Paleontology community.

Questions?

- What is a preprint?
- What is a postprint?
- Why are these useful?
- Can I submit one to paleorXiv?
- Who can use paleorXiv?
- Why should we use paleorXiv?

Find out more online at:

@paleorXiv

or visit the website for more details.

Open Access, uh, finds a way.
